"THE KING'S COMMAND"

Two-Reel Universal Action Drama
Starring WILLIAM E. LAWRENCE

RED CLOUD tells Flying Eagle he's heir to the title and Earldom of Winterset and, according to Lord Cumberland, commander of the post, must marry Cumberland's niece, Esther, who is beloved by Lieut. Walker. Flying Eagle declares he'll not desert his Indian bride, Feather Foot, and is arrested by Walker and charged with treason by Cumberland.

Red Cloud threatens war if Flying Eagle is not restored by nightfall. Cumberland locks up Esther and Feather Foot to prevent interference. ~~The Redskins attack and, trying to escape,~~ Flying Eagle strikes Cumberland and is forced into a duel. If he loses the duel he is to marry Esther. His opponent wins and Flying Eagle is forced to marry Esther in a dark room, the light having been extinguished during the Indian attack. When the lights are turned on again it is discovered he has married his true love, Feather Foot—she and Esther had changed clothes—and Cumberland sportingly permits Esther to marry Walker.
